

COLOMEADOW FARMS'
Cornerstone of Progress

SALE

AT THE FARM — BYERS, COLORADO
NOVEMBER 9, 1970

Another view of WSU Cornerstone 704 x. Look how he towers over this 1,300-lb. cow. Note his tremendous length.

WELCOME TO COLOMEADOW

"Cornerstone Of Progress"

... describes this sale to a "T". Featured will be the service of WSU Cornerstone 704 x. If there is a bigger, trimmer, better muscled Shorthorn or Polled Shorthorn bull in North America, we have yet to see him. Cornerstone is truly tremendous, and we predict he will write a whole new chapter in Polled Shorthorn progress and improvement. He IS the outcross bull that everyone has been hoping for.

See his calves at Colomeadow. Then you will be even more enthusiastic about the Cornerstone line.

INFORMATION

SALE TIME

12:00 P.M. (M.S.T.), November 9.

AUCTIONEER

Dick Kane, Wisner, Nebraska.

LOCATION

At Colomeadow Farms, Inc., one-half mile West of Byers, Colorado.

TELEPHONE

Call Byers, Colo., Area Code 303
822-5300 or 822-5302.

LUNCH

Will be available on sale day.
Lunch time is 11:00 (M.S.T.).

HEADQUARTERS

We have made arrangements for a block of rooms at the new beautiful Hilton Inn, Interstate 70 at Peoria Street Exit, Denver. Close to Stapleton International Airport.

Call them from the airport and they will pick you up, or return you to your plane. Colomeadow Farm will be glad to furnish transportation from the Holiday Inn to the farm.

You can make reservations directly by calling AC 303/364-2643 (mention the Shuman Sale), or, if you prefer, we will be happy to make reservations for you.

If coming from the East, we recommend the Longhorn Motel at the intersection of Interstate 70 and Highway 36 at Byers. This motel has fine dining room facilities. Other motels — on Highway 40, the Safari Motel or Midwest Hotel, Limon, Colo.; The Pleasant Manor Motel, Byers.

The Voyager (Best Western, formerly Quality Courts) on Int. 40, Aurora, Colo., has been designated as sale headquarters.

DELIVERY

Colomeadow is agreeable to keep all sale cattle a reasonable time and to assist in keeping delivery costs at the least possible expense to the buyer. Insurance from date of sale is the responsibility of the buyer and will be available at the sale.

TRANSPORTATION

We will be pleased to assist in transportation — please advise us in advance so you will not be inconvenienced.

TERMS

CASH: All settlements must be made with clerk before cattle are moved from the farm.

HEALTH

Official vaccination for Bangs disease has been practiced in the John F. Shuman & Sons' herd. T.B. and Bangs tests will be furnished on every animal sold and official vaccination certificates with all females under 30 months of age. Every lot will comply with the health regulations of any state.

GUARANTEE

All cattle will be sold under the Standard Guarantee recommended by the American Shorthorn Association printed elsewhere in this catalog. Shipment will be made as soon as possible. Cattle are at the buyer's risk as soon as sold, but every care will be given until shipment is made. To avoid confusion, give the clerk accurate information as to whom the pedigree is to be transferred.

LIABILITY

The guarantee will constitute a contract between the buyer and seller of each lot. Although every precaution will be exercised to protect the safety and comfort of those attending, neither the owners of the cattle selling nor any of their representatives, nor auctioneers, clerks or any other affiliated personnel can assume any liability for accidents.

INSURANCE

Clint Tomson, Harding & Harding, Geneva, Ill., and Don McCarthy, Harding & Harding, Denver, Colo., will be present to sell you insurance. If they do not contact you, leave your insurance instructions with the clerks.

COME EARLY TO SEE THE CATTLE

Come anytime, of course, especially so, early on Sunday, November 8. There will be informed personnel at the Byers farm to show and talk about the cattle selling. There's a modern, new restaurant — The Longhorn — Byers and we know your party would enjoy Sunday dinner there.

AND THE COW HERD, TOO!

The cow herd is maintained on native grass at the Deer Trail unit. Stop there on your way to the sale (1 mile West and 4 miles South of Deer Trail) or make it a part of your Sunday schedule. You will want to see Dams of sale cattle and verify our oft-stated belief that cow herds should be uniform, have size and be practically-maintained!

PHONE

TO THE

AUCTIONEER

Once again, absentee buyers can do their own bidding by phone. If you are interested in placing bids on an animal, or animals, just let us know which ones. At our cost we will call you right before the animal enters the ring. You can listen to the bidding and place your own bids, through a ringman, to the auctioneer. We have installed two phones on the auction block for this purpose. Those numbers are AC 303/822-5300 and 822-5302.

I have been servicing Shuman Shorthorns for over 17 years and can verify that the health of this herd is excellent. Good management and preventive medicine come first. All animals offered will be Bang's tested or vaccinated and T. B. tested. Interstate health charts will be furnished and this sale offering will be eligible to travel anywhere.

Come To The "Cornerstone of Progress" Sale

Sale managers are known to get over enthusiastic about the sale cattle with which they are associated. We admit to this failing at times. **HOWEVER, THIS WILL BE THE BEST COLOMEADOW OFFERING IN HISTORY.**

That sounds hard to believe, I know. Only in dispersions have we seen so many valued females and herd sires offered. In fact, we tried to talk the Shumans out of offering some of the great females that will sell. They seemed just too valuable to us. However, John Shuman feels a great responsibility as president of the American Shorthorn Ass'n. He is determined to make this the greatest Colomeadow offering possible.

Look at the herd sires selling. Pheasant Creek Leader x, Colomeadow Gemdandy, Weston Gleam x are worth a trip to this sale by themselves. But, in addition, there will be some other great herd sire prospects and, as is Colomeadow's custom, some top range bulls for their commercial customers. How many future herd sire greats are represented in the service these sale females carry, only time will tell. We predict there will be many.

The female offering is amazing. The quality and illustrious families being offered will stir the enthusiasm of all who see them. Some of the best females to sell this year, are yours for the bidding.

Not all the females will be great by any means. There will be around 10 head designated as commercials. Again, an opportunity for rancher customers to buy low-costing cows carrying extraordinary matings. **THIS SALE WAS PLANNED WITH EVERYONE IN MIND.**

There have been, and will be, sales held this year more highly advertised and glamourized. **BUT THE IMPROVEMENT POWER OF THE YEAR WILL BE OFFERED IN THIS SALE.**

Our enthusiasm is not just sale manager talk. It is given sincerely and objectively. Join us and see for yourselves.

TPS CORONET CRUSADER x

Four daughters of this bull sell in this sale. Remember he is the sire of the dam of the 1970 National Western grand champion Sutherland Citation x. Windholme Farms, Orange, Va., purchased two-thirds interest in Citation for \$13,200. He was the 1970 spring yearling All-American bull.

Welcome To Colomeadow...

The highlight of every year for us at Colomeadow is our annual Shorthorn party and sale where we have the opportunity to visit with our Shorthorn friends.

Each year we attempt to make the offering superior to the previous year. This one is no exception.

With the addition of WSU Cornerstone 704 x, the entire Rosewood Hites herd of Thieman polled bloodlines, calves by, or service to, TPS Coronet

Crusader x (sire of the dam of Sutherland Citation) and Tynywtra's Meteor 19th x (the top selling Polled Shorthorn bull in 1968), we believe Colomeadow is in its strongest position to offer truly foundation seed stock.

Cornerstone and his calves have won the admiration of all who have seen them. His tremendous size, muscling, correctness, trimness, sound feet and legs destine him to be THE bull to pro-

REMITALL BANNER—Thirteen daughters of this great Canadian International Sale champion sell. Purchased at Brandon in 1967 for \$8,000 in partnership with Davison Ranch, which partnership is now owned by Packard Cattle Co., Elbert. Banner is by the renowned Kelburn Great Event and out of Remitall Ruby Constance, 1959 Toronto Royal and Montana State Fair grand champion, and the 1963 Calgary National Show reserve champion. In 1968 four and one-third lots sold in our sale sired by Banner and these averaged \$2,533. A son sold to Darrell Chapman, Le-Grand, Calif., for the top bull price of \$4,200 for two-thirds interest. A daughter topped our sale at \$2,950 as a calf.

Remitall Banner as he looked as a yearling. Note the heavy bone, size and ruggedness. He is imparting those qualities to his progeny.

SHUMAN COWS WEIGH MORE

A report released in 1968 by Colorado State University, representing 10,034 cows from 36 herds, show that Shuman cows averaged 98 lbs. more than the average Hereford; 246 lbs. more than the average Angus, and 316 lbs. more than the average Galloway. Buy your seedstock from the herd with both herd sires and cows with that added size.

duce the outcross for Shorthorn and Polled Shorthorn breeders who want a growth factor along with quality.

Only because we are planning to sell our Deer Trail Ranch and concentrate our cow herd at our Byers Unit, are we selling Pheasant Creek Leader x. His calves are all that we were expecting, and more.

For the same reason, we are offering some cows from the heart of our herd, along with some foun-

dation, bred heifers.

We have arranged for a block of rooms at the new Hilton Inn, near the Denver airport. You will enjoy these facilities and a visit with your many Shorthorn friends.

If we can help make your trip more enjoyable, be sure to let us know. We will be looking for you November 8th and 9th.

JOHN SHUMAN

WSU CORNERSTONE 704 x

WSU CORNERSTONE 704 x—The 1969 Inland Empire Sale grand champion where he was purchased by Jim Aegerter, Seward, Nebr., for \$1,350. A half brother had been champion the previous year and another sold to Braemor Farms, Walton, Nebr., in 1967. All are bulls with great size and length. After seeing his first calves, we purchased an additional one-third interest and possession from Aegerter. Tomson Bros., Wakarusa, Kans., one one-third interest. We feel this is the biggest bull of the breed. His calves clearly indicate he could be one of the top breeding bulls as well. All of our 1969 heifers are selling bred to this improver.

Pheasant Creek Leader x weighed 1,790 lbs. at 26 months and he weighs right at a ton now in his working clothes. The majority of our herd carries his service. COLOMEADOW MONARCH x—Offering this bull as an outcross to our Polled Shorthorn customers in the Rocky Mountain West. Sutherland Nugget x is the sire of the \$13,200 (two-thirds interest) National Western grand champion, Sutherland Citation x, and the 1969 International grand champion Sutherland Prospector x. We purchased this calf in dam.

COLOMEADOW MONARCH x

R H CORONET 5TH x—This is not one of our more modern looking bulls. However, he is closely linebred and with his strong Crusader breeding he could be a "sleeper." We think he will make a good breeding sire.

A SATISFIED CUSTOMER

"Colomeadow Napoleon 18th is leaving me some wonderful daughters... they have size, stretch and yet have plenty of thickness. They have good length of leg, too.

"I don't suppose I will ever have another bull that will maintain his condition on short grass like the 18th. He is a muscle bull. Even though he will soon be six years old, he is very active and alert."

COLOMEADOW GEMDANDY—Grand champion bull as a calf, at the 1967 National Western. We sold an interest in this bull to Chuck-O-Luck Farms, in our 1966 sale for \$5,700. Gemdandy is a "borderline" bull . . . not quite modern enough for our program but has more size and stretch than 75 percent of the Shorthorn herd bulls we see. His calves please us greatly, and, like several of the herd sires selling, he is being offered only because of our 100 percent emphasis on Cornerstone. He is a sound bull and can do someone a lot of good. His dam is one of the best quality, "beefiest" cows in our herd. Beaufort Orange Talisman produced the twice International grand champion, Ringwell Orange Talisman, and the International grand champion, Ringwell Lodestar. Lodestar and Ringwell Minerva won the pair of calves class at the 1954 International.

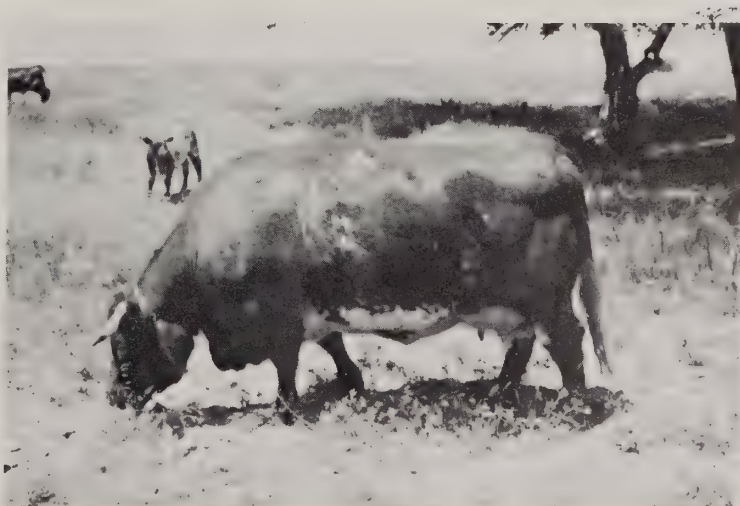

Minerva Starlet, the great dam of Colomeadow Gemdandy. There are two International champions in her pedigree.

LOUADA PEERLESS—Here is a bull that will soon be eight years old but was used extensively in our commercial herd this past summer and proved himself an excellent breeder. We hesitated to offer this bull, thinking it might be best to ship him. However, Bill Stunkel urged us to let the public have first chance at buying him, feeling that he could do someone with a few cows a lot of good. We realize he won't bring much. We aren't expecting it. However, we want you to remember he is a "AAA" bull and that he has more than justified our paying the top price for him in the 1963 Louada Sale. Sixteen sons and daughters sold in our 1968 sale for a \$1,080 average. If someone wants to buy a proven bull at a modest price, here he is. He sure has paid his way at Colomeadow.

"Colomeadow cattle are doing an "okay" job for the Gardners. Warren sold his first two bulls from the cows he purchased from you for \$660 and \$900. In each case, just one calf, easily paid for the purchase price of the cow."

COLOMEADOW RUTHANN 5TH—One of two Ruthann heifers selling in this sale. Both are daughters of the "AA" Colomeadow Ruthann, she the dam of Colomeadow Pride of 66th, National Western record selling bull at \$6,500 for two-thirds interest to Mr. and Mrs. Buddy Rambo, Temple, Texas.

Mr. and Mrs. Buddy Rambo pose with Colomeadow Pride of 66th, the youngest bull ever classified "AAA" in the United States and the only bull by an "AAA" sire and out of an "AAA" dam. This bull weighed 2,140 lbs. on pasture. He was never beaten in class and holds American Royal, National Western, Oklahoma City and Tulsa championships to his credit. This bull is a maternal brother to Lot 46.

"We had a real top Shorthorn steer show at Goodland this year. There were 31 Shorthorns shown and most went back to Colomeadow blood-lines.

"We have a good demand for Shorthorn steer calves in this area."

COLOMEADOW ORANGE MAID 26TH—This heifer, her dam, another Orange Maid, sell in this sale. We could write a book about this family. The Ringwell Orange Maid family was probably the most prolific in the Ringwell herd. We have sold over \$8,000 worth of females from this family in previous sales to such good herds as Dr. C. E. Harlan, Fernwood, Wm. Campbell & Son, Davison Ranch, Dr. Harvey Holmes, Bill Boysen, Dick Heckendorf, Chuck-O-Luck, Bob Welbourne, Gary Cummings and Acadia. The list of bulls produced by our Orange Maids would be every bit as impressive.

COLOMEADOW GERMANICA—An old cow that has more than paid her way and has added much to the quality of this herd through daughters. Sons have included the \$1,500 Colomeadow Control 5th that sold to Leon Hoyt of Kansas; Colomeadow Aragon that sold for \$1,800 to N. J. Meyeres, Chase, Kans. This is an "AA" cow that could sell cheap because of her age, yet the calf she carries will pay her buyer a fine dividend over the purchase price.

STANDARD GUARANTEE

1. A - Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

B - All bulls are guaranteed breeders provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.

C - With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age, shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not settling within six months after date of sale, shall be promptly reported to seller.

D - When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction to all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

E - In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy as such a certificate is required by the seller.

F - All animals catalogued have been tested for T.B. and are clean, and have also passed a test for Brucellosis thirty days prior to the sale, or are accompanied by Bangs Vaccination Certificate. Announcements will be made covering animals not clear from vaccination.

G - Certificates of registry and transfer will be furnished with each animal sold. A signed application for unborn calves should be furnished with bred females showing names and record numbers of sire and dam, as well as service date.

H - All prospective buyers should check health requirements of their states. Health certificates will be provided with each lot sold.

2. SHIPPING ARRANGEMENTS: Cattle will be at buyer's risk as soon as bid off, but every precaution will be taken to see that animals are cared for properly.

BE SURE TO LEAVE DEFINITE SHIPPING INSTRUCTIONS AND CORRECT TRANSFER INFORMATION WITH THE SALES CLERK.

3. INSURANCE: Coverage may be secured at the time of sale.
